**About Clean Global Energy Limited**

CGE is a clean coal energy company with a vision of becoming a significant provider of low cost energy through converting sub-economic coal deposits into a cheap, clean, low cost synthetic gas (Syngas). Exploiting coal deposits that are traditionally uneconomical to mine CGE will use its proven coal extraction method, Underground Coal Gasification (**UCG**), to turn these sub economic resources into a Syngas that is suitable for feedstock for power generation, the production of chemicals and fertilizers and for use in Gas to Liquids technology that produces petrochemical product including ultra-clean diesel and aviation fuels.

**Forward-Looking Statements**

Certain statements contained in this release, including information as to the future financial or operating performance of Clean Global Energy Limited (CGE) and its projects, are forward looking statements. Such forward looking statements may include, among other things, statements regarding targets, estimates and assumptions irrespective of mineral reserves and mineral resources and anticipated grades and recovery rates, production and prices, operating costs and results, capital expenditures, and are or may be based on assumptions and estimates related to future technical, economic, market, political, social and other conditions; are necessarily based upon a number of estimates and assumptions that, while considered reasonable by CGE and are inherently subject to significant technical, business, economic, competitive, political and social uncertainties and contingencies; and involve known and unknown risks and uncertainties that could cause actual events or results to differ materially from estimated or anticipated events or results reflected in such forward looking statements.

CGE disclaims any intent or obligation to update publicly any forward looking statements, whether as a result of new information, future events or results or otherwise. The words: believe, expect, anticipate, indicate, contemplate, target, plan, intends, continue, budget, estimate, may, will, schedule and similar expressions identify forward looking statements.

All forward looking statements made in this announcement are qualified by the foregoing cautionary statements. Investors are cautioned that forward looking statements are not guarantees of future performance and accordingly investors are cautioned not to put undue reliance on forward looking statements due to the inherent uncertainty therein.
